O nama

Preduzeće Eurokant se bavi proizvodnjom, uvozom, prodajom kant traka, furnir traka, okova i lepka za nameštaj. Eurokant je osnovan 1995. godine u Novom Sadu, kao samostalna zanatska radnja. Osluškujući potrebe tržišta i modernog poslovanja prerasli smo u savremenu kompaniju koja ide u korak sa svetskim trendovima. S obzirom na bogatu ponudu i stalnost zaliha, postali smo pouzdan, ozbiljan i siguran snabdevač velikih kompanija, stolarskih radnji, stolara, hobi centara, ali i onih koji sami izrađuju nameštaj, dekorišu prostor ili uređuju svoj dom.

Dobra organizacija, kvalitetan repromaterijal, proizvodnja na savremenim mašinama poslednje generacije, mogućnost da odgovorimo zahtevima kupaca, svrstavaju nas u red preduzeća koja služe za primer.

Cilj našeg poslovanja je zadovoljan kupac, pre svega uslugom, cenom, kvalitetom, ljubaznošću i stručnošću. U Eurokant se ne dolazi samo jednom. Dođete prvi put i stalno nam se vraćate. Dođite i uverite se u kvalitet, stručnost, pouzdanost i poslovnost preduzeća Eurokant.

Galanterija

A large, stylized yellow arrow graphic pointing to the right, starting from the left edge of the page and extending towards the right. It has a thick, solid yellow body and a sharp, pointed tip.

2023

A black and yellow geometric graphic element located at the bottom left of the page. It consists of a black triangle pointing downwards and to the right, with a yellow horizontal bar extending from its top edge towards the right.
